

Table SI. Characterization of patients, tumours and human papillomavirus (HPV) status

| Patient | Age, years/sex/immune status | Tumour | Side | Localization | HPV type(s) |
|---------|------------------------------|--------|------|-----------------------|-------------|
| 1 | 62/M | BD | L | III; periungual | 16 |
| | | BD | L | III; periungual | N.D. |
| | | BD | L | III; subungual | 16 |
| 2 | 50/M | BD | R | III; lateral part | 52 |
| 3 | 65/M | BD | R | II; periungual | 33 |
| | | BD | L | II; periungual | 33 |
| | | BD | L | II; periungual | 16 |
| | | BD | L | III; proximal phalanx | 16 |
| | | BD | L | II; proximal phalanx | 16 |
| | | BD | L | III; proximal phalanx | N.D. |
| | | BD | R | II; proximal phalanx | N.D. |
| 4 | 56/M | BD | R | IV; lateral phalanx | 16 |
| | | BD | R | IV; lateral phalanx | 16 |
| 5 | 58/M | BD | L | V; subungual | 16 |
| 6 | 59/F | SCC | R | V; periungual | 16 |
| 7 | 77/M | BD | R | III; lateral phalanx | 16 |
| | | SCC | R | III; lateral phalanx | 16 |
| 8 | 41/M/HIV | BD | R | IV; subungual | 26 |
| | | SCC | R | IV; subungual | Negative |
| 9 | 76/M/RTX | SCC | L | Back of the hand | Negative |
| 10 | 72/F/RTX | BD | L | Back of the hand | Negative |
| 11 | 67/F | BD | L | Back of the hand | N.D. |
| | | BD | L | Wrist | Negative |
| 12 | 65/M/RTX | SCC | L | Wrist | Negative |
| | | BD | L | Wrist | 16 |
| 13 | 75/M | SCC | L | Back of the hand | Negative |
| 14 | 62/F/RTX | BD | R | II; proximal phalanx | Negative |
| | | BD | L | Back of the hand | Negative |
| | | BD | R | Back of the hand | N.D. |
| | | SCC | R | Back of the hand | Negative |
| | | BD | R | IV; proximal phalanx | Negative |
| | | SCC | R | Back of the hand | Negative |
| 15 | 31/F | BD | R | III; periungual | Negative |
| 16 | 75/F | BD | L | II; lateral phalanx | Negative |
| | | BD | L | II; lateral phalanx | Negative |
| 17 | 83/M | SCC | R | I; periungual | 33, 52 |
| 18 | 71/M | BD | R | III; subungual | 16 |

Patients were immunocompetent unless indicated. Fingers were numbered sequentially from I to V starting from the thumb to the little finger.
 BD: Bowen's disease; SCC: squamous cell carcinoma; L: left; R: right; N.D.: not done; HIV: human immunodeficiency virus; RTX: renal transplant recipient.
