

# Academic dissertations at the dental colleges and the odontological faculties of the universities in Sweden, Norway, Denmark, Finland, and Iceland in 1982

Compiled by Åke B. Löfgren

Löfgren, Å. B. Academic dissertations at the dental colleges and the odontological faculties of the universities in Sweden, Norway, Denmark, Finland, and Iceland in 1982. *Acta Odontol. Scand.* 1983, 41, 315–319. Oslo. ISSN 0001-6357.

A continuation of the bibliography 1907–1975, published as supplementum 73 of the *Acta Odontologica Scandinavica* and of *Acta Odontol. Scand.* 1977, 35, 225–228; 1978, 36, 175–180; 1979, 37, 177–180; 1980, 38, 329–332; 1981, 39, 179–183; 1982, 40, 377–380; 1983, 41, 315–319.

Åke B. Löfgren, Vidblicksgatan 1, 412 57 Gothenburg, Sweden

## Sweden

276. *Bergendal*, Tom [A: son]  
☆ 10/6 1943.  
Treatment of denture stomatitis. A clinical, microbiological and histological evaluation. Stockholm (pr. in Linköping) 1982. 1 loose leaf with an abstract, 37 pp. + 3 previously published studies and 2 separate studies.  
Stockholm 12/2 1982. pp. + 4 previously published studies and 2 separate studies.  
Stockholm 2/4 1982.
277. *Fried*, [Joseph] Kaj  
☆ 18/11 1952.  
Development, degeneration and regeneration of nerve fibres in the feline inferior alveolar nerve and mandibular incisor pulps. Light and electron microscopic studies. Stockholm (pr. in Kungälv) 1982. 1 loose leaf with an abstract, 28 pp. (*Acta Physiologica Scandinavica*. Suppl. 504.) + 2 previously published studies and 4 separate studies.  
Stockholm 31/3 1982.
278. *Andersson*, Göran N[ils]  
☆ 15/3 1955.  
Participation of endoplasmic reticulum and Golgi apparatus in the biosynthesis of N- and O-glycosol galactoglycoproteins in the liver. Stockholm 1982. 38
279. *Tronje*, Gunilla [née Giertz]  
☆ 16/12 1936.  
Image distortion in rotational panoramic radiography. Stockholm (pr. in Umeå) 1982. 1 loose leaf with an abstract, 28 pp + 4 previously published studies and 2 separate studies (all together forming Suppl. 3 of *Journal of the International Association of Dento-Maxillo-Facial Radiology*).  
Stockholm 2/4 1982.
280. *Fabricius*, Lars [John Petter]  
☆ 24/9 1928.  
Oral bacteria and apical periodontitis. An experimental study in monkeys. Gothenburg 1982. Pp. (3)–44 + 2 previously published studies and 3 preprints.  
Gothenburg 7/4 1982.
281. *Egermark-Eriksson*, Inger [Josefina, née Egermark]  
☆ 8/9 1935.  
Mandibular dysfunction in children and in individuals with dual bite. Gothenburg (pr. in Kungälv) 1982. 1 loose leaf

- with an abstract, 45 pp., ill. + 5 previously published studies and 2 separate studies.  
Gothenburg 29/4 1982.
282. *Ekström*, [Leif Erik] Christer  
☆ 23/4 1937.  
Facial growth rate and its relation to somatic maturation in healthy children. Stockholm 1982. 99 pp., ill. (*Swedish Dental Journal*. Suppl. 11.)  
Stockholm 5/5 1982.
283. *Eriksson*, Per-Olof  
☆ 27/5 1941.  
Muscle-fiber composition of the human mandibular locomotor system. Enzyme-histochemical and morphological characteristics of functionally different parts. Umeå 1982. 1 loose leaf with an abstract, 44 pp., ill. (*Swedish Dental Journal*. Suppl. 12) + 3 previously published studies and 1 separate study.  
Umeå 14/5 1982.
284. *Westesson*, Per-Lennart [Alwe]  
☆ 25/1 1950.  
Double-contrast arthrography and internal derangement of the temporomandibular joint. Malmö 1982. 1 loose leaf with an abstract, 57 pp. (*Swedish Dental Journal*. Suppl. 13) + 3 previously published studies and 4 separate studies.  
Malmö 26/5 1982.
285. *Mohlin*, Bengt [Olof]  
☆ 6/3 1944.  
Need for orthodontic treatment with special reference to mandibular dysfunction. A study in men and women. Gothenburg (pr. in Kungälv) 1982. 94 pp., ill. + 4 previously published studies and 2 separate studies.  
Gothenburg 27/5 1982.
286. *Lindskog*, Sven [Fredrik]  
☆ 9/9 1953.  
Morphology and formation of intermediate cementum in monkey. Stockholm 1982. 1 loose leaf with an abstract, 38 pp., ill. + 5 separate studies.  
Stockholm 10/9 1982.
287. *Lagerlöf*, Folke [Harry Ingvar]  
☆ 3/3 1939.  
Studies on calcium and inorganic phosphate in human parotid saliva. Stockholm 1982. 49 pp., ill. + 4 previously published studies and 1 separate study.  
Stockholm 17/9 1982.
288. *Köhler*, Birgitta [Ingegerd]  
☆ 5/10 1943.  
Studies on the spread and prevention of *Streptococcus mutans* infection. Gothenburg 1982. 40 pp. + 4 previously published studies and 1 separate study.  
Gothenburg 24/9 1982.
289. *Rundegren*, Jan [Lennart]  
☆ 12/12 1945.  
Bacteria-agglutinating glycoproteins in human saliva. An *in vitro* study with special reference to *Streptococcus mutans*. Umeå 1982. 1 loose leaf with an abstract, 2 small loose leaves with list of errata, 46 pp. (*Umeå University Odontological Dissertations*. No. 15) + 4 previously published studies and 1 separate study.  
Umeå 24/9 1982.
290. *Alm*, Per E[rik]  
☆ 15/7 1952.  
Mast cells and histamine secretion. A study of the effects of catecholamines, participation of ions and the role of cyclic AMP. Umeå 1982. 1 loose leaf with an abstract, 54 pp., ill. (*Umeå University Odontological Dissertations*. No. 16) + 2 previously published studies and 3 separate studies. [Dr. Med. Sci.]  
Umeå 4/10 1982.

291. *Eriksson*, [Sven] Stefan  
 ☆ 13/11 1951.  
 Cerebrospinal fluid salinity and body fluid homeostasis. Studies on putative juxtacerebroventricular sodium sensitivity in the goat. Stockholm 1982. (2), 35 pp. (*Acta Physiologica Scandinavica*. Suppl. 509) + 3 previously published studies and 2 separate studies. [Dr. Med. Sci.]  
 Stockholm 4/10 1982.
292. *Appelgren*, Björn [Harrison]  
 ☆ 26/9 1949.  
 Reflex and hormonal influences on cerebral control of water balance. Studies of alimentary and cardiovascular factors, and of systematic angiotensin in the regulation of water intake and ADH secretion. Stockholm 1982. 1 loose leaf with an abstract, 39 pp., ill. (*Acta Physiologica Scandinavica*. Suppl. 510) + 3 previously published studies and 2 separate studies. [Dr. Med. Sci.]  
 Stockholm 5/10 1982.
293. *Hallonsten*, Anna-Lena [*née* Olsson]  
 ☆ 3/10 1943.  
 Nitrous oxide-oxygen sedation in dentistry. Linköping (pr. in Jönköping) 1982. 1 loose leaf with an abstract, 44 pp., ill. + 2 previously published studies and 2 separate studies (all together forming *Linköping University Medical Dissertations*. No. 140, and *Swedish Dental Journal*. Suppl. 14.) [Dr. Med. Sci.]  
 Linköping 8/10 1982.
294. *Klämfeldt*, Ingalill [Agneta]  
 ☆ 14/6 1941.  
 Metabolism of articular cartilage proteoglycans in vitro. Effects of synovial membrane products and mechanical pressure. Umeå 1982. 56 pp., ill. + 3 previously published studies and 2 separate studies, = pp. 57–100. (*Umeå University Odontological Dissertations*. No. 17.)  
 Umeå 26/11 1982.
295. *von Konow*, Lars [Jurgen]  
 ☆ 23/4 1945.  
 Orofacial infection and nitromidazoles. Stockholm 1982. 1 loose leaf with an abstract, 1 loose errata-leaf, 46 pp., ill. + 3 previously published studies and 1 separate study.  
 Stockholm 26/11 1982.
296. *Zickert*, Ingegerd [Elisabet, *née* Svensson]  
 ☆ 12/5 1941.  
 Prevention of dental caries. Studies on the effect of some methods. Gothenburg 1982. 35 pp. + 4 previously published studies and 1 separate study.  
 Gothenburg 15/12 1982.
297. *Gahnberg*, Lars [Börje]  
 Studies on salivary immunoglobulin A antibodies reacting with *Streptococcus mutans*. Gothenburg 1982. 35 pp. + 4 previously published studies and 1 separate study.  
 Gothenburg 17/12 1982.
298. *Stenberg*, Torsten [Robert]  
 ☆ 30/1 1939.  
 Release of cobalt from cobalt chromium alloy constructions and turnover and distribution of cobalt. Experiments in mice and humans. 80 pp., ill. + 4 separate studies, = pp. 81–148. (All together forming *Swedish Dental Journal*. Suppl. 16, and *Umeå University Odontological Dissertations*. No. 18.)  
 Umeå 17/12 1982.
299. *Wennström*, Jan L[ennart]  
 ☆ 25/4 1947.  
 Keratinized and attached gingiva. Regenerative potential and significance for periodontal health. Gothenburg 1982. 41 pp., ill. + 2 previously published studies and 3 separate studies.  
 Gothenburg 18/12 1982.

## Norway

96. *Holst, Dorthe*  
☆ 31/8 1945.

Third party payment in dentistry. An analysis of the effect of a third party payment system and of system determinants. Oslo 1982. (8), 6, (4), 51, (68), 62, (27) pp., ill.  
Oslo 10/6 1982.

97. *Skjørland, Kjeld Kr[istian]*  
☆ 23/6 1930.

Experimental studies of integument formation in the mouth. Oslo 1981. (6), 29, (15) pp., ill. + 7 previously published studies.  
Oslo 17/6 1982.

98. *Berg, Einar*  
☆ 16/3 1939.

An exploratory study of patient satisfaction with dentures. Effects of anamnestic, demographic, social and psychological variables on denture acceptance. A study of patients renewing their dentures in a dental school. Bergen 1981. (1), 176 ll., ill.  
Bergen 4/12 1982.

99. *Ruyter, I[var] Eystein*  
☆ 20/12 1936.

Methacrylate-based polymeric dental materials: conversion and related properties. Oslo 1982. (6) pp., summary and review with separate pagination (359–376, also in *Acta Odontologica Scandinavica* 1982, Vol. 40) + 7 previously published studies.  
Oslo 11/12 1982.

## Denmark

46. *Gersel-Pedersen, Niels*  
☆ 10/3 1949.

Fibrinolytisk aktivitet i saliva og blod i relation til oral kirurgi og alveolitis sicca dolorosa. [Subtitle] Fibrinolytic

activity in saliva and blood in oral surgery and alveolitis sicca dolorosa—a summary. Copenhagen 1981. (10), 198, (40) pp., ill.

Copenhagen 23/3 1982.

47. *Andersen, Lis*  
☆ 16/9 1945.

Pladeepitels reaktion under eksperimentel sårlegning. Lys- og elektronmikroskopiske undersøgelser af ganeslemhinden hos marsvin. (With an English summary: Structural changes in squamous epithelium during wound-healing. Light- and electronmicroscopical examination in the palatal mucosa of guinea pigs.) Århus 1982. (4), 85 pp., ill. + 7 previously published studies.

Århus 6/5 1982.

48. *Jensen, Kjeld*  
☆ 14/4 1940.

Sundhedspædagogisk udviklingsarbejde. Teori—praksis—evaluering. (With an English summary: Health-pedagogical development work. Theory—practice—evaluation.) Århus 1981. (8), 324, (103) pp., ill.

Århus 19/5 1982.

49. *Kjær, Inger [Margrethe, née Christensen]*  
☆ 16/11 1940.

Mandibels prænatale udvikling hos mennesket. Histokemiske undersøgelser over udviklingsstadier i: symphysis menti, mandibulære primære incisiver og condylus mandibularis relateret indbyrdes samt til generel fosterudvikling. Copenhagen (pr. in Trollesbro) 1982. (6), 88 pp., ill., 1 loose errata-leaf + 5 previously published studies.

Copenhagen 8/12 1982.

## Finland

98. *Alanen, Pentti* [Johannes]  
 ☆ 14/2 1940.  
 Vertaileva tutkimus subvention vaikutuksesta hampaiden. Kuntoon ja hammashoitopalvelusten käyttöön. [Subtitle] The effect of subvention on dental health: a clinical study. Turku 1982. viii, 119 pp., ill. (Also in: *Proceedings of the Finnish Dental Society*. Vol. 78. Suppl. I.)  
 Turku 30/1 1982.
99. *Markkanen, [Anna] Helena* [née Vidgren]  
 ☆ 23/3 1949.  
 Periodontal treatment needs in Finnish adults. Kuopio 1982. (8), 58, (6) pp., ill. + 5 previously published studies and 1 separate study. (*Publications of the University of Kuopio*. Community health. Series original reports. 1/1982.)  
 Kuopio 12/2 1982.
100. *Laine, Pentti* [Olavi]  
 ☆ 3/10 1934.  
 Adaptation to denture-wearing. An opinion survey and experimental investigation. Helsinki (pr. in Turku) 1982. 152, 9, 10, 17 pp., ill. (Also in: *Proceedings of the Finnish Dental Society*. Vol. 78. Suppl. II.)  
 Helsinki 12/3 1982.
101. *Syrjänen, Stina* [Maritta, née Blomster]  
 ☆ 18/11 1950.  
 Salivary glands in rheumatoid arthritis. Kuopio 1982, 77 pp., ill. (Also in: *Proceedings of the Finnish Dental Society*. Vol. 78. Suppl. III.)  
 Kuopio 24/4 1982.
102. *Nyström, [Elina] Marjatta* [née Hartman]  
 ☆ 5/1 1942.  
 Development of the deciduous denti-
- tion in a series of Finnish children. 48 pp., ill. (Also in: *Proceedings of the Finnish Dental Society*. Vol. 78. Suppl. IV.) + 5 previously published studies.  
 Helsinki 10/9 1982.
103. *Hurmerinta, Kirsti* [Anneli, née Saario]  
 ☆ 17/4 1953.  
 Cell interactions during tooth development. Helsinki 1982. 73 pp., ill. (Also in: *Proceedings of the Finnish Dental Society*. Vol. 78. Suppl. V.)  
 Helsinki 5/11 1982.
104. *Hietanen, Jarkko* [Harri Pekka]  
 ☆ 13/11 1948.  
 Pemphigus. An epidemiological, ultrastructural and immunological study. Helsinki 1982. 47 pp. (Also in: *Proceedings of the Finnish Dental Society*. Vol. 78. Suppl. VI.) + 2 previously published studies and 4 separate studies. [MKD]  
 Helsinki 12/11 1982.
105. *Vinkka, Heli* [Aulikki]  
 ☆ 7/10 1945.  
 Secondary cartilages in the facial skeleton of the rat. Turku 1982. 137 pp. ill. (Also in: *Proceedings of the Finnish Dental Society*. Vol. 78. Suppl. VII.)  
 Turku 4/12 1982.
106. *Seppä, Liisa* [Kristiina, née Lehtimäki]  
 ☆ 23/7 1949.  
 Fluoride varnishes in caries prevention. Kuopio 1982. (4), 48, (2) pp. (Also in: *Proceedings of the Finnish Dental Society*. Vol. 78. Suppl. VIII) + 4 previously published studies and 3 separate studies.  
 Kuopio 10/12 1982.

## Iceland

No dissertations appeared in 1982.
