Awards

*Excellent contribution to dental research*

Professor Per Brandtzaeg from the University of Oslo was selected by the Prize Committee as the 2002 recipient of the Acta Odontologica Scandinavica Award for his excellent contributions to dental research. The award, NOK 50,000, will be presented to Professor Brandtzaeg at the 1st Annual Meeting of the Pan-European Federation in Cardiff, Wales 25–28 September, 2002. The Prize Committee, appointed by the Board of the Acta Odontologica Scandinavica Foundation, comprised Drs Palle Holmstrup, Anne Björg Tveit, Marianne Lenander-Lumikari, Bente Nyvad, and Folke Lagerlöf.

*The best article*

As the best article published in Acta Odontologica Scandinavica in 2001 the Prize Committee selected 'Distribution of mutans streptococci in families: a longitudinal study' by Ing-Mari Redmo Emanuelsson and Elisabeth Thornqvist (Acta Odontol Scand 2001;59:93–8). The award constitutes NOK 10,000. The Prize Committee, appointed by the Board of the Acta Odontologica Scandinavica Foundation, comprised Drs. Palle Holmstrup, Karin Heyeraas, Peter Holbrook, Pentti Kirveskari, Thomas Modéer, and Folke Lagerlöf.
