BCCSS is a national collaborative undertaking guided by a Steering Group that comprises Profes-

sor D Easton (chair), Professor M Hawkins, Dr. H Jenkinson, Dr. M Jenney, Dr. R Reulen, Professor K Pritchard-Jones, Professor M Stevens, Dr. E Sugden, Dr. A Toogood, and Dr. H Wallace. The BCCSS benefits from the contributions of the Officers, Centres, and individual members of the Children’s Cancer and Leukaemia Group, and the Regional Paediatric Cancer Registries. The BCCSS acknowledges the collaboration of the Office for National Statistics, the General Register Office for Scotland, the Welsh Cancer Intelligence and Surveillance Unit, the National Health Service Information Centre, the regional cancer registries, health authorities, and area health boards for providing general practitioner names and addresses and the general practitioners nationwide who facilitated direct contact with survivors. We are particularly thankful to all survivors who completed a 40-page questionnaire and all General Practitioners who returned consent forms. The BCCSS would not have been possible without the support of our funders: University of Birmingham, Cancer Research UK, the Kay Kendall Leukaemia Fund, and the European Commission to whom we offer our profound thanks. Finally thanks to all BCCSS staff who have given many years of dedicated work to bring the BCCSS to fruition.
